

Petition

Petition: Address the Critical Lack of Water in Sundar Nagar.

To the Municipal Commissioner, We, the residents of Sundar Nagar, Block C, are facing an acute shortage of clean and accessible water for the past three months. This crisis has disrupted daily life, affected health, and made basic tasks like cooking and bathing extremely difficult.

We demand immediate action to:

1. Restore daily water supply to our area.
2. Repair broken pipelines and install new water tanks.
3. Send water tankers until the issue is resolved.
